**Guidelines**

- Students must have a minimum 3.0 GPA for the preceding 3 quarters. Only Pre-Political Science and Political Science majors may enroll in PS 99.
- Once your petition is approved, the Undergraduate Advisor will send you an add code to enroll in one of these sections.
- PS 99 petitions should be submitted for review by WEDNESDAY of WEEK 2 of the quarter so that they can be approved prior to the add/drop deadline. After this date students risk increased enrollment fees.
- Political Science majors using PS 99 for credit in the major *may* apply the course to the “Electives” category of the major. Students may enroll in a maximum of 5 units per quarter, with no more than 8 units applied towards the major.

**What to Submit**

Students wishing to enroll in PS 99 **must attach a 1-2 page project description to this petition.** The project description should include a method of evaluation (frequency of student-professor meetings, required written assignments, and submission deadlines). The instructor must indicate approval by signing below. Return this form to *3838 Ellison Hall*.
